USES

Interior and exterior adhered veneer, including house fronts, commercial facades, foundations, columns, outdoor kitchens, backsplashes, shower walls, chimneys, fireplaces, and surrounds.

FEATURES & BENEFITS

Mount Mitchell Mosaic offers the same beauty and solid finished look as the building stone, but with the appeal of efficient and lightweight installation. It offers a mix of dark gray and black with a blend of brown, rust and white striations. This stone is cut roughly into random irregular shapes with minimally sawed edges, and has a classic look.

Mount Mitchell Mosaic can be installed below grade and does not usually require footers or additional support. Check with local building codes before installing material. It is an easy stone to work with, is lightweight, and adheres well.
