USES

Interior and exterior adhered veneer, including house fronts, commercial facades, foundations, columns, outdoor kitchens, backsplashes, shower walls, chimneys, fireplaces, and surrounds.

FEATURES & BENEFITS

Canyon Creek Stacked Stone panels are crafted from natural split face quartzite.

The warm golds and cool grays blend together in harmony.

Use these beautiful natural stacked stone panels for design projects including shower surrounds, backsplashes, fireplaces, and for a wide array of exterior design projects including cladding of buildings, supports, and dividing walls.

Matching corners are available to finish off projects.
