Interior and exterior adhered veneer, including house fronts, commercial facades, foundations, columns, outdoor kitchens, backsplashes, shower walls, chimneys, fireplaces, and surrounds.

FEATURES & BENEFITS

Coyote Gray Mosaic offers a rich brown color with traces of lighter brown and gray. This product is often blended with other products, such as Southern Eclipse, to add contrast to the finished application.

Coyote Gray Mosaic can be installed below grade and usually requires no footers or additional support.

Check with local building codes before installing material. It is an easy stone to work with, is lightweight, and adheres well.

The information contained in this document is provided to explain the most commonly asked questions about stone and its uses. This document serves as a general guideline and the information provided within is not meant for exact structural specifications. Frederick Block, Brick & Stone has neither liability, nor can be held responsible, to any person or entity for any misunderstanding, misuses, or misapplication that would cause loss or damage of any kind, including loss of rights, materials, or personal injury, or alleged injury to be caused directly or indirectly by the information contained in this document.
