FEATURES & BENEFITS

Hillside Brown Mosaic is a pleasant mix of golds, rusty browns and grays in varying shapes and sizes which allows for a customized pattern.

This affordable offering is priced competitively against manufactured veneers – allowing all the benefits and cost savings with the incomparable beauty and timeless appeal of a natural product.

Hillside Brown can be installed above or below grade and does not usually require footers or additional support. Check with local building codes before installing material. This durable material is suitable for interior and exterior use.
