FEATURES & BENEFITS

Hearthstead Ledge is a traditional weathered fieldstone with subtle variations of tans, grays, and browns. This affordable offering is priced competitively against manufactured veneers – allowing all the benefits and cost savings with the incomparable beauty and timeless appeal of a natural product.

Hearthstead Ledge can be installed above or below grade and usually does not require footers or additional support. Check with local building codes before installing material. This durable material is suitable for interior and exterior use.
